FOOD ALLERGIES

- When you request places at an activity where there is food please tell us about any food allergies you or your child have.
- Sometimes it is useful to know what you can eat as well

You must only request places for your own family. If you know another family please ask them to get in touch with us separately.

When you request places you must give us the following information

- Name and age of child/adult, their main disability, where you live—this information is assumed to be one place
- We also need to know how many adult/carer places you would like for family members and
- how many additional child places you would like for family members

We do not operate on a first come, first served basis. This is to make sure everyone gets the chance to join us for activities and events.

You can ask for places for all of the events you are interested in at the same time but we may not be able to confirm them all at the same time.

If you request a large number of places we may not be able to allocate the total number you ask for unless we have exclusive use of a large venue.

Where necessary, we keep waiting lists and if places become available, these are offered to families on the list

WEEKLY ACTIVITES

A WORD ABOUT OUR OFFICE AND PHONE

We have a lovely office at Vane Tempest Hall but we are not always there. Sometimes we're at activities and events and sometimes we're at meetings, attending training courses or checking out new activities and venues. So if you're going to call in to see us please get in touch first by email or phone to make sure we will be there.

The office phone is manned between 10a.m. and 4p.m. Monday to Friday. Outside of these times please leave a message and we'll get back to you.

Request places by email or phone and we will contact you to let you know if we can allocate you places.

We do not operate on a first come, first served basis. Contact us if you would like to know why.
