### PAYMENT DEADLINES

Why do we have payment deadlines?

- We have to pay a deposit when we book a venue and we have a deadline to pay the full costs.
- If we don't receive your payment contribution by the deadline we will assume you no longer want to attend and offer your places to a family on the waiting list.
- If there isn't a waiting list, we will try reduce the number of places we have booked.
- If you no longer want your places and don't let us know before the payment deadline you will still have to pay your contribution. This is always less than the full cost that we have to pay so we are still out of pocket.
- In cases of emergency only this payment might be waived.
