Why do we have payment deadlines?

We often have to pay all or most of the cost for events up front and sometimes months in advance.

If we don't get the payment from families by the deadline we run the risk of having empty places we have paid for. we are being very strict with deadlines to make sure as many families as possible get to the activities they want.

We will contact you to let you know if we can allocate you places.

we do not operate on a first come, first serve basis.

Contact us if you want to know why.
